PROFILE

New York-based social media professional & producer helping to bridge the gap between fans and the theatre industry. Through content creation and brand strategy, I have helped over 25 productions & brands find their voice in the digital sphere.

EXPERIENCE

Broadway Cares, Social Media Contributor January 2021 - Present

- Conceived posts for upcoming social campaigns with the communications team
- Executed community management on Facebook and analyzed post performance to provide recommendations on best practices moving forward

Bringing You Broadway, Social Media Manager October 2020 - Present

- Developed social strategy and day-to-day practices with the co-founders & executive director, creating assets for both the company's social and actors' personal socials
- Provided on-site social coverage for outreach performances and fundraising concerts

Broadway For Biden, Social Media Manager July 2020 - January 2021

- Collaborated with the marketing & design teams to brainstorm and execute social campaigns, including a successful influencer grassroots campaign
- Coordinated internal & external logistics, managing calendars and ensuring that content was delivered in a timely manner for approval and posting deadlines

Feinstein's/54 Below, Concert Producer June 2018 - March 2020

- Conceived & pitched shows to the venue, coordinating talent and acting as a liaison between performers and the musical director
- Organized rehearsal schedules & song selections, providing direction for each number
- Created & distributed press releases and promotional social graphics

BroadwayWorld, Social Media Manager January 2019 - February 2020

- Brainstormed & developed evergreen content strategy, creating assets including social graphics, short-form videos, & Instagram Story filters
- Conceived & wrote original articles on topical subjects within the industry
- Organized collaborations with agencies, including social takeovers & ticket giveaways
- Developed & executed on-site content creation at press events and opening nights

Marathon Digital, Social Media Contractor January - December 2018

- Created copy, video, & graphics for clients' social accounts
- Engaged with fans through community management across all platforms
- Aided in video shoots & live coverage at events including BroadwayCon & openings

AKA NYC, Digital Accounts Intern August - December 2017

- Wrote social media and newsletter copy through the lens of each client's brand voice
- Conducted research for social campaigns for current clients & upcoming productions
- Interacted with fans through community management during production milestones such as ticket on-sale dates
